R E C I T A L S

A. Landlord is the fee owner of an approximately 4.1+/- acre tract of land as shown on Exhibit A attached hereto and incorporated by reference (the "Demised Premises").

B. Tenant proposes to construct and occupy upon and use the Demised Premises for a Behavioral Health Urgent Care and Facility-Based Crisis Center, ("Tenant's Intended Uses") in general accordance with the preliminary site plan attached hereto as Exhibit A.

C. Tenant desires to lease from Landlord and Landlord desires to lease to Tenant the Demised Premises upon the terms, conditions, covenants, and agreements set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth and the foregoing recitals which are incorporated herein, the parties hereto, intending to be legally bound hereby, covenant as follows:

ARTICLE I DEMISE OF PREMISES; WARRANTIES; LEASECONTINGENCIES

Section 1.1 Demise. Subject to Sections 1.3 hereof, as well as all other terms, conditions and covenants hereinafter set forth, Landlord hereby leases and permits the use to Tenant, and Tenant hereby leases from Landlord the Demised Premises.

Section 1.2 Shared Parking. In addition to the Demised Premises, Tenant, at all times during the Lease Term, shall have the right to use 52 parking spaces within the parking lot shown on Exhibit B (the "Parking Lot"). Landlord shall, at all times during the Lease Term, reasonably maintain the Parking Lot (including, but not limited to, snow removal).

Section 1.3 Feasibility Period. From the Effective Date until the Lease Commencement Date (the "Feasibility Period"), Tenant shall have the right to determine, in Tenant's sole discretion, whether the Demised Premises is suitable for Tenant's Intended Uses. If during the Feasibility Period Tenant determines, in its sole discretion, that the Demised is unsuitable for Tenant's Intended Uses or that Tenant's proposed acquisition and operation of the Demised Premises is not feasible, then Tenant shall have the right to terminate this Lease by delivery of written notice to Landlord at the address set forth in Section 19.1 prior to the expiration of the Feasibility Period. During the Feasibility Period, Tenant, its agents and representatives, shall have the right to enter upon the Demised Premises at any time for purposes of conducting such inspections and testing of the Demised Premises as Tenant shall deem necessary, including, without limitation, soil boring tests and an environmental audit, as long as the Demised Premises is restored to substantially the same condition as it was found. Tenant agrees to indemnify, defend, and hold Landlord harmless from and against all claims, liabilities, injuries, damages and costs directly caused by Tenant's entry upon the Demised Premises and such inspections. Landlord shall in good faith cooperate with Tenant in facilitating Tenant's inspections and testing of the Demised Premises and shall work together in good faith with Tenant to pursue the completion of all governmental approvals as may be required for Tenant's permitted use hereunder and shall execute all necessary and appropriate applications and/or instruments in connection therewith.

Section 1.4 Recombination Plat. Tenant, at Tenant's cost and expense, shall be responsible for preparing and recording a recombination plat to combine the two existing parcels at the subject property (650 Highland Avenue and 911 E. Fifth Street, Winston-Salem, North Carolina) into a single legal parcel. The Demised Premises shall be the portion of this new legal parcel.

Section 1.5 Copies of Reports. If Landlord requests copies of any due diligence reports, Tenant shall provide such reports to Landlord, provided, however, that Landlord acknowledges and agrees that all such reports provided to Landlord by Tenant are for informational purposes only and shall not be relied upon by Landlord.

Before commencing any construction activities regarding Tenant's Improvements, a set of proposed building/construction plans (including a site plan) shall be presented to and approved in writing by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. After the initial construction of Tenant's Improvements, construction activities (including alterations) at the Demised Premises that require a governmental permit shall require Landlord's approval as follows: (i) if the total cost of such construction is less than \$5,000.00, then a set of proposed building/construction plans (including a site plan, if applicable) shall be presented to and approved in writing by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. Landlord shall deliver notice of its approval or of any objections it may have to such plans within thirty (30) days of the delivery of the plans to Landlord. If Landlord has not delivered any objections to the proposed plans to Tenant prior to said deadline, then the proposed plans shall be deemed to have been approved by Landlord; and (ii) if the total cost of such construction is more than \$5,000.00, then a set of proposed building/construction plans (including a site plan, if applicable) shall be presented to and approved in writing by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed and shall include the approval of the Forsyth County Board of Commissioners. Landlord shall deliver notice of its approval or of any objections it may have to such plans within sixty (60) days of the delivery of the plans to Landlord. If Landlord has not delivered any objections to the proposed plans to Tenant prior to said deadline, then the proposed plans shall be deemed to have been approved by Landlord. Tenant shall provide Landlord with seven (7) days' prior written notice of the date that Monarch, Inc. will move out of the Existing Improvements, and Landlord shall have thirty (30) days from the date that Monarch vacates the Existing Improvements to remove any of Landlord's personal property and/or fixtures from the Demised Premises. Landlord acknowledges that any items of personal property and/or fixtures remaining on the Demised Premises by Landlord or Landlord's tenants may be disposed of, discarded, or destroyed by Tenant, in Tenant's sole discretion, if such items of personal property and/or fixtures remain on the Demised Premises after such thirty (30) day period. In the event that the Landlord does not require the full thirty (30) day period, Landlord shall provide Tenant with written notice that the removal of Landlord's personal property and/or fixtures is complete and Tenant may commence demolition at that time.

(b) Permits and Code Compliance. Prior to Tenant's commencement of construction, Tenant shall obtain all necessary governmental approvals for the construction of Tenant's Improvements. All of Tenant's Improvements shall be constructed in a good and workmanlike manner in compliance with all applicable building codes, ordinances, regulations and permits of any governmental authorities having jurisdiction.

The Tenant has the right to terminate the Lease (i) on the tenth (10th), fifteenth (15th), twentieth (20th), twenty-fifth (25th), thirtieth (30th), or thirty-fifth (35th) anniversary of the Lease Commencement Date by giving Landlord at least three (3) months written notice prior to any such termination dates, or (ii) by giving written notice to the Landlord upon the termination of funding necessary for Tenant to carry on its business at the Demised Premises, in which event, this Lease shall terminate three (3) months after the date written notice is delivered to Landlord. At the termination of the Lease, all Tenant Improvements shall revert to Landlord; provided that, in the event construction of the Tenant Improvements is incomplete when the Lease is terminated, Tenant may, upon written notice from the Landlord, be required to remove all of the Tenant Improvements. Section 4.2 Rent Payment Dates. Tenant shall make all payments of rent under this Lease on or before December 31 of each Lease Year. Notwithstanding the foregoing, Tenant may prepay rent, in whole or in part, at any time.

Section 4.3 Triple Net Lease. This Lease shall be deemed a "triple net" lease, and Tenant shall pay or provide for all costs and expenses relating to the Demised Premises and Tenant's use and occupation thereof which may arise or become due during the term of this Lease as if Tenant were the owner of the Demised Premises, with the exception of payments for interest due and amortization on any Landlord mortgages against the Demised Premises.

**ARTICLE V
INDEMNIFICATION AND INSURANCE**

Section 5.1 Indemnification. During the Term of this Lease, Tenant agrees to indemnify, defend, and hold Landlord harmless from and against any and all actions, claims and demands arising out of the use, occupancy, construction on or non-use of the Demised Premises by Tenant or the failure of Tenant to maintain the Demised Premises as herein provided, including, but without limitation of the foregoing, any liability arising out of or related to Tenant's failure to comply with any federal, state, county or municipal environmental statute, ordinance, rule or regulation, together with any carelessness, negligence, or improper conduct by Tenant or its agents, employees, business invitees, suppliers or licensees, and any and all costs, expenses and fees, including reasonable attorney's fees, incurred by Landlord incident thereto. Notwithstanding the foregoing, Tenant shall not indemnify nor save Landlord harmless from any such action, claim or demand arising solely out of Landlord's failure to perform its obligations under this Lease or for negligent or tortious acts or omissions committed by Landlord or Landlord's agents or employees.

Section 5.2 Tenant's Liability Insurance. During the Term of this Lease, Tenant at Tenant's sole cost, shall obtain and maintain, with a reputable insurer reasonably acceptable to Landlord, for the benefit of Landlord and Tenant as their respective interests may appear, commercial general liability insurance policy against any loss or liability for damages and any expense of Tenant against any claim for damages which may result from the use or occupation or condition of the Demised Premises, in an amount of One Million Dollars (\$1,000,000.00) for combined single limit for bodily injury and property damage and a Two Million Dollar (\$2,000,000.00) umbrella liability policy. Tenant shall name Landlord as an additional insured as its interests may appear under said insurance policies and the Tenant shall furnish the Landlord with copies of the certificates of insurance evidencing coverage under the said policies. In addition to the

foregoing, such policies shall contain provisions, by endorsement or otherwise, that the coverages cannot be canceled without thirty (30) day's notice to Landlord.

Section 5.3 Tenant's Property Insurance. During the Term of this Lease, Tenant shall keep the building or buildings, including all improvements, alterations, additions or changes thereto by Landlord or Tenant, insured against damage or destruction by fire and the perils covered under a special risk insurance policy to the extent of the full replacement value thereof at time of the loss. Tenant shall name Landlord as an additional insured as its interests may appear under the aforesaid insurance policy and, upon Landlord's request, furnish the Landlord with a copy of the certificate of insurance evidencing coverage under the said policy. Such policy shall contain a provision, by endorsement or otherwise, that the coverage cannot be canceled without thirty (30) days' notice to Landlord.

Section 5.4 Waiver of Subrogation. Each party hereby releases the other party hereto from liability for any loss or damage to any building, structure or tangible personal property, or any resulting loss of income, or losses under worker's compensation laws and benefits, notwithstanding that such loss, damage or liability may arise out of the negligent or intentionally tortious act or omission of the party or its Agents, if such loss or damage is covered by insurance benefitting the party suffering such loss or damage or was required to be covered by insurance pursuant to this Lease. Each party hereto shall require its insurers to include in its insurance policies a waiver of subrogation clause (providing that such waiver or right of recovery against the other party shall not impair the effectiveness of such policy or the insured's ability to recover thereunder), and shall promptly notify the other in writing if such clause cannot be included in any such policy. If such waiver of subrogation clause shall not be available, then the foregoing waiver of right of recovery shall be void.

ARTICLE VI TAXES

Section 6.1 Taxes. During the Term of this Lease, Tenant shall pay all real estate taxes which may be levied, assessed or charged against the Demised Premises or any part thereof by any governmental authority accrued on or after the Lease Commencement Date. If and when any real estate taxes are levied, Landlord agrees to use its best efforts to arrange for the direct mailing of such tax bills from the appropriate taxing authorities to Tenant. In the event Landlord is unable to arrange for such direct mailing, Landlord agrees to deliver copies of such tax bills to Tenant no later than one (1) month prior to their discount due date, or within seven (7) days from the date such bill is received by Landlord, whichever date is earlier. Tenant, at its sole cost and expense, may, if it shall so desire, endeavor at any time or times to obtain a reduction of the assessed valuation of the Demised Premises for any tax year during the term of this Lease and, in such event, Landlord will, at the request of Tenant and without expense to Landlord, cooperate with Tenant in effecting such reduction. Tenant shall be authorized to collect any tax refund payable as a result of any proceeding Tenant may institute for

that purpose and any such tax refund shall be the property of Tenant to the extent to which it may be based on a payment made by Tenant.

ARTICLE VII UTILITIES; EASEMENTS

Section 7.1 Utilities. During the Term of this Lease, Tenant shall pay and promptly discharge all charges by any public or private utility for gas, water, sewage, electricity or other utilities or services furnished to the Demised Premises.

ARTICLE VIII MAINTENANCE AND REPAIRS

Section 8.1 Tenant's Obligations. During the Term of this Lease, Tenant shall keep, maintain, repair and replace all of Tenant's Improvements as appropriate, including without limitation by specification, the foundation, roof, exterior walls, structural portions, and exterior glass and windows of the building, as well as mechanical, plumbing, heating, air conditioning, sprinkler and electrical systems and utility service lines therein, the plumbing system to and from the Demised Premises, and the driveways, parking areas and grounds within the Demised Premises. Tenant will take good care thereof and will maintain and make all required repairs thereto, and will suffer no waste or injury thereto. At the expiration or other termination of the Term, Tenant shall surrender the Demised Premises in substantially the same order and condition which they are in on the Lease Commencement Date, excepting, however, ordinary wear and tear, damage by the elements, casualty damage and Landlord's retention rights under Section 10.3 hereof.

Section 8.2 Landlord's Right of Entry. Provided there is no disruption of Tenant's use of the Demised Premises and subject to all applicable privacy laws and regulations, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (as amended from time to time), Tenant will permit Landlord, or its agents or representatives, to enter the Premises, without charge therefor to Landlord and without diminution of the rent payable by Tenant, to examine, inspect and protect the Demised Premises and the Building, to comply with and carry out Landlord's obligations under this Lease, and to exhibit the same to prospective tenants (provided that Tenant's consent, which shall not be unreasonably withheld, shall be required if the Premises are to be exhibited to a prospective tenant more than twelve (12) months prior to the expiration of the Term of this Lease). In connection with any such entry, Landlord shall reasonably endeavor to minimize the disruption to Tenant's use of the Demised Premises,

and shall reasonably endeavor to give Tenant at least twenty-four (24) hours advance notice of such entry (except in the event of an emergency).

ARTICLE IX ASSIGNMENT

Section 9.1 Assignment and Subletting by Tenant. Provided that at the time of any such assignment or subletting Tenant is not then in default of this Lease, Tenant may assign or sublet the Demised Premises, for use as a Behavioral Health Urgent Care and Facility Based Crisis Center, as follows:

(a) Tenant obtains the prior consent of Landlord, which consent shall not be unreasonably withheld or denied by Landlord;

(b) Notwithstanding Section 9.1(a) above, Tenant may assign this Lease, without the written consent of Landlord, to: (i) any corporation, partnership or other entity, which may, as a result of a reorganization, merger, acquisition, consolidation, or sale of assets succeed to the business now being carried on by Tenant; or, (ii) any subsidiary or affiliated entity of Tenant, so long as such entity remains a subsidiary or affiliate of Tenant and continues to use the Demised Premises as a Behavioral Health Urgent Care and Facility Based Crisis Center that serves Forsyth County in addition to any other counties in its catchment area;

(c) Upon any assignment or sublet by Tenant, Tenant shall remain jointly and severally liable for rents and other obligations due under this Lease upon any default by the assignee or the subtenant. In the event that the Landlord's mortgagee requires approval of assignments, then Landlord agrees to cooperate in obtaining such mortgagee approval.

Section 9.2 Assignment by Landlord. This Lease is fully assignable and transferable by Landlord.

ARTICLE X PERSONAL PROPERTY

Section 10.1 Personal Property. Tenant, at its sole cost and expense, shall place or install such fixtures, furniture, furnishings, equipment and other personal property on the Demised Premises as Tenant shall deem necessary for the efficient conduct of Tenant's business.

Section 10.2 Signs. Tenant may, at its sole cost and expense, place such signs on the Demised Premises as may be permitted by applicable zoning ordinances.

Section 10.3 Tenant's Right to Remove Personal Property. Any of the personal property which may be placed on the Demised Premises by Tenant are to remain the property of Tenant and it shall have the right to remove the same at any time, except

that Tenant shall be responsible for the cost of any repairs of any damage to the Demised Premises caused by the removal of such personal property. Any equipment not removed by the Tenant within sixty (60) days after the termination of this Lease shall become the property of Landlord and may be kept or removed from the Demised Premises by Landlord at the cost of Tenant.

ARTICLE XI DEFAULT; REMEDIES

Section 11.1 Tenant's Default. It shall be an event of default hereunder if:

(a) Tenant shall fail to pay rent or other sum of money becoming due hereunder for a period of ten (10) days after written notice of such default has been received by Tenant (provided that no notice shall have to be given of a late rent payment more than one (1) time per calendar year); or

(b) Tenant shall default in the performance of any other of the terms, conditions or covenants contained in this Lease to be observed or performed by it and Tenant does not remedy such default within thirty (30) days after it has received written notice thereof or, if such default cannot be remedied in such period, does not within such thirty (30) days commence such act or acts as shall be necessary to remedy the default and shall not thereafter diligently proceed to cure such defaults; or

(c) Tenant shall become bankrupt or insolvent, or file any debtor proceedings, or file in any court pursuant to any statute, either of the United States or of any state a petition in bankruptcy or insolvency or for reorganization; or file or have filed against it a petition for the appointment of a receiver or trustee for all or substantially all of the assets of the Tenant and such appointment shall not be vacated or set aside within fifteen (15) days from the date of such appointment.

(d) Tenant shall fail to commence construction of the Tenant Improvements by December 31, 2016 or shall fail to complete the Tenant Improvements by December 31, 2017.

Section 11.2 Landlord's Remedies. In the event of any default by Tenant under Section 11.1 hereof, Landlord may at once thereafter or at any time subsequently during the existence of such breach or default, enter into and upon the Demised Premises or any part thereof and repossess the same, expelling and removing therefrom all persons and terminate this Lease.

ARTICLE XII RIGHT OF FIRST REFUSAL

- Intentionally Deleted -

**ARTICLE XIII
RESTRICTIVE COVENANTS**

- Intentionally Deleted -

**ARTICLE XIV
BROKER'S COMMISSION**

Section 14.1 Broker's Commission. Landlord and Tenant each warrant to the other that there are no claims for brokerage commissions or finder's fees in connection with the execution of this Lease. Landlord and Tenant each agree to indemnify, defend and hold the other party harmless from all liabilities arising from claims for all such commissions, including reasonable attorney's fees and legal costs incurred.

**ARTICLE XV
DESTRUCTION OF PREMISES**

Section 15.1 Restoration. Tenant shall promptly notify Landlord of any material damage or casualty to the Demised Premises. Except as expressly provided in Section 15.2 below, after any damage or casualty to the Demised Premises, Tenant shall, upon receipt of insurance proceeds, promptly repair and restore the Demised Premises to substantially same condition prior to such damage or destruction so that the fair market value of the Demised Premises are substantially equal to the value thereof immediately prior to the casualty.

Section 15.2 Termination. If the damage or casualty occurs during the last two (2) years of the Term, and if the cost or restoration exceeds fifty percent (50%) of the replacement cost of the Tenant Improvements, then Tenant may terminate this Lease by giving Landlord written notice within ninety (90) days after the occurrence of such casualty. If the Lease is not terminated, Tenant shall be obligated to restore the Demised Premises as provided in Section 15.1 above. If this Lease is terminated, Tenant shall be required to clear the Demised Premises of all damage or destruction and pay over to Landlord insurance proceeds for Tenant's building, less the cost of clearing the damage and debris. Notwithstanding the foregoing, Tenant shall be entitled to insurance proceeds attributable to Tenant's trade fixtures and personal property, business interruption and other components of insurance coverage not related to the Demised Premises.

**ARTICLE XVI
EMINENT DOMAIN**

Section 16.1 Eminent Domain. The Tenant shall have the option to terminate this Lease upon sixty (60) days written notice if the Demised Premises, or any part thereof, is condemned or sold in lieu of condemnation (in either event, a "Taking"). In the event of any such Taking of any portion of the Demised Premises, Landlord and Tenant shall divide any sum received, awarded or paid with respect to the Demised Premises by reason of such Taking (the "Award") by the ratio of the "Landlord's

Interest" to the "Tenant's Interest"; provided, however, that the portion of any Award attributable to land only or Landlord's fee interest in the land shall be paid in its entirety to Landlord. "Landlord's Interest" and "Tenant's Interest" shall (i) be based on the values of their respective interests in Tenant's Improvements (including Landlord's reversionary interests) as determined immediately prior to the Taking and as if such Taking did not occur, and (ii) take into account the length of the then current Term of this Lease remaining in effect at the time of the Taking. For example, if the value of Tenant's Interest is twice the value of Landlord's Interest, Tenant shall receive two-thirds of the remaining portion of the Award to be allocated under this Section 16.1, and Landlord shall receive the remaining one-third of such Award. If the values of Landlord's Interest and Tenant's Interest are determined in the condemnation proceeding, such values shall be conclusive upon Landlord and Tenant. If such values are not separately determined in the condemnation proceeding, the values shall be fixed by agreement between Landlord and Tenant, or if Landlord and Tenant are unable to agree upon such values within thirty (30) days after the Taking occurs, then the values shall be determined by appraisal prepared by a qualified appraiser mutually selected in writing by both parties. This Section 16.1 shall not apply to any separate award made to Tenant for relocation and moving expenses, which Tenant may retain in full.

ARTICLE XVII GOVERNMENT REGULATION

Section 17.1 Government Regulation. At Tenant's expense, Tenant will comply with all laws, ordinances, rules and regulations of any federal, state and municipal government or their appropriate regulatory agencies now in force or which may hereafter be in force, relating to the carrying on of Tenant's business.
