As part of the Coronavirus Relief Fund, \$300,000,000 was allocated to a Local Government Coronavirus Relief Reserve, half of which will remain in the State's General Fund to be appropriated to local governments if they experience a revenue shortfall and the federal CARES Act is amended to allow the use of federal funds for that purpose. The other half will be allocated to counties ineligible to receive direct funding from the federal Coronavirus Relief Fund established by the CARES Act (every County except for Wake, Mecklenburg, and Guilford).

From this other half, Forsyth County will receive \$6,470,065, which can be used for necessary expenditures incurred during the period of March 1, 2020, through December 20, 2020, due to the public health emergency related to the Coronavirus Disease 2019 that were not accounted for in the most recently approved budget as of March 27, 2020.
